Dear Customer,

Good news! Harrison Township has negotiated a fixed rate with Archer Energy for its natural gas aggregation program.

Township Trustees have entered into an agreement with Archer Energy to provide a fixed rate program for its residents. **The fixed rate will be \$0.6979 per Ccf, effective your next eligible meter read through April 2028.** There is nothing you need to do to take advantage of this program.

Columbia Gas of Ohio will remain your natural gas utility. They will continue to bill and service your account. You will also continue to have access to the same programs you are eligible for now through Columbia Gas of Ohio as they continue to deliver gas safely and reliably to your home or business.

Automatic Enrollment Process

As a current resident in Harrison Township, you are automatically enrolled unless you decide to opt-out via one of the methods below. There is no fee to participate in the program, and you can cancel at any time without penalty. To learn more about the program, please see the enclosed General Terms and Conditions.

If you choose to Opt-Out

You don't need to do anything to get this exclusive rate. However, if you decide not to participate in the program, we must receive your opt-out response through one of the methods below by 5/18/2026:

Sincerely,
Archer Energy and Harrison Township
