

ARTICLE 3 DEFINITIONS

The following definitions to be added.

CONSTRUCTION TRAILER/OFFICE: A trailer or portable building used to provide temporary workspace for construction management personnel during the construction of a facility.

DATA CENTER: A facility that houses computer systems and associated data and is focused on the mass storage of data.

DATA CENTER CAMPUS: A coordinated development consisting of one or more data center buildings and associated accessory structures, substations, backup power systems, cooling systems, security features, utility infrastructure, and related site improvements planned as an integrated project or phased development.

6. A drawing of the proposed site for the variance showing the location of all buildings, parking and loading area, traffic access traffic circulation, open spaces, landscaping, refuse and service areas, utilities, signs, and yards. Note additional information may be required by the Board at the time of the hearing.
7. Names and addresses of adjoining owners within 500 feet of property, including across the roadway. This list shall be typed or printed on mailing labels.
8. In order to notify adjacent property owners, landowners, and residents in the immediate vicinity and the general public of pending zoning changes, the Township will provide a notice sign with the recommended wording:

“This property is under a zoning consideration. For additional information contact the Harrison Township Zoning Office at 740-927-8277 or visit website at www.harrisantownship.net”

The notice must be erected ~~within 48 hours of application~~ **at least ten (10) days before the hearing date.** It shall be erected on the site readily legible from the most traveled thoroughfare adjacent to the property. The sign must be maintained until a final decision by the appropriate board. At which time, the sign must be returned in good condition to the township.

A variance shall not be granted unless the Board makes specific findings of fact based directly on the particular evidence presented to it, which support conclusions that the standards and conditions imposed by Article 4.13.4 have been met by the applicant.

4.14 SUPPLEMENTARY CONDITIONS AND SAFEGUARDS

Under no circumstances shall the Board of Zoning Appeals grant an appeal or variance to allow a use not permissible under the terms of this Resolution in the district involved, or any use expressly or by implication prohibited by the terms of this Resolution in said district. In granting any appeal or variance, the Board of Zoning Appeals may prescribe appropriate conditions and safeguards, when made a part of the terms under which the appeal or variance is granted, shall be deemed a violation of this Resolution and punishable under Article 5.10 of this Resolution.

4.15 PUBLIC HEARING BY THE BOARD OF ZONING APPEALS

The Board of Zoning Appeals shall hold a public hearing within forty-five (45) days after the receipt of an application for an appeal, conditional use, or variance from the Zoning Inspector.

4.16 NOTICE OF PUBLIC HEARING ~~IN NEWSPAPER~~

Before holding the public hearing required in Article 4.15, notice of such hearing shall be given **by at least one publication at least 10 days before the date of said hearing, using at least one of the following methods: (A) in the print or digital edition of one or more newspaper of general circulation in the County; (B) on the official public notice website established under Section 125.182 of the Revised Code; and/or (C) on the website and social media account of the Township.**

~~in one or more newspapers of general circulation in the Township at least ten (10) days before the date of said hearing.~~ The notice shall set forth the time and place of the public hearing, and the nature of the proposed appeal, conditional use, or variance.

4.17 NOTICE TO PARTIES IN INTEREST

Before holding the public hearing required in Article 4.15 – Public Hearing by the Board of Zoning Appeals, written notice of such hearing shall be mailed by first class mail at least ten (10) days

12. In order to notify adjacent property owners, landowners, and residents in the immediate vicinity and the general public of pending zoning changes. The Township will provide a notice sign with the recommended wording:

“This property is under a zoning consideration. For additional information contact the Harrison Township Zoning Office at 740-927-8277 or visit website at www.harrisontownship.net”

The notice must be erected **within 48 hours of application at least ten (10) days before the hearing date**. It shall be erected on the site readily legible from the most traveled thoroughfare adjacent to the property. The sign must be maintained until a final decision by the appropriate board. At which time, the sign must be returned in good condition to the township.

Applications proposing to amend, supplement, change or repeal portions of this resolution other than the Official Zoning Map shall include items (1), (2), (3), (10), and (11) listed above.

6.4 TRANSMITTAL TO ZONING COMMISSION

Within five (5) days after the adoption of a resolution by the Board of Township Trustees or the filing of an application by at least one (1) owner or lessee of property, said resolution or application shall be transmitted to the Commission.

6.5 SUBMISSION TO COUNTY OR PLANNING COMMISSION

Within five (5) days after the adoption of a motion by the Commission, transmittal of a resolution by the Board of Township Trustees, or the filing of an application by at least one (1) owner or lessee, the Zoning Commission shall transmit a copy of such motion, resolution, or application together with the text and map pertaining to the case in question to the Licking County Planning Commission. The Licking County Planning Commission shall recommend the approval or denial of the proposed amendment or the approval with some modification and shall submit such recommendation to the Zoning Commission. Such recommendation shall be considered at the public hearing held by the Zoning Commission.

6.6 SUBMISSION TO DIRECTOR OF TRANSPORTATION

Before any zoning amendment is approved affecting any land within three hundred (300) feet of the centerline of a proposed new highway or highway for which changes are proposed as described in the certification to local officials by the Director of Transportation or within a radius of five hundred (500) feet from the point of intersection of said centerline with any public road or highway, the Commission shall give notice, by registered or certified mail to the Director of Transportation. The Zoning Commission may proceed as required by law, (Ohio Revised Code, Section 5511.01), however, the Board of Township Trustees shall not approve the amendment for one hundred twenty (120) days from the date the notice is received by the Director of Transportation. If the Director of Transportation notifies the Board of Township Trustees that he shall proceed to acquire any land needed, then the Board of Township Trustees shall refuse to approve the rezoning. If the Director of Transportation notifies the Board of Township Trustees that acquisition at this time is not in the public interest or upon the expiration of the one hundred

twenty (120) day period or any extension thereof agreed upon the Director of Transportation and the property owner, the Board of Township Trustees shall proceed as required by law.

6.7 PUBLIC HEARING BY ZONING COMMISSION

The Zoning Commission shall schedule a public hearing after the adoption of their motion, transmittal of a resolution from the Board of Township Trustees, or the filing of an application for zoning amendment. Said hearing shall be not less than twenty (20) nor more than forty (40) days from the date of adoption of such motion, transmittal of such resolution, or the filing of such application.

6.8 NOTICE OF PUBLIC HEARING ~~IN NEWSPAPER~~

Before holding the public hearing as required in Article 6.7, notice of such hearing shall be given by the Zoning Commission by at least **one publication at least 10 days before the date of said hearing, using at least one of the following methods: (A) in the print or digital edition of one or more newspaper of general circulation in the County; (B) on the official public notice website established under Section 125.182 of the Revised Code; and/or (C) on the website and social media account of the Township.**

~~one (1) publication in one (1) or more newspapers of general circulation in the Township at least ten (10) days before the date of said hearing.~~ This notice shall set forth the time and place of the public hearing, the nature of the proposed amendment, the time and place where the text and maps of the proposed amendments will be available for examination, and a statement that after the conclusion of such public hearing the matter will be referred to the Board of Township Trustees for further determination.

6.9 NOTICE TO PROPERTY OWNERS BY ZONING COMMISSION

If the proposed amendment intends to rezone or redistrict ten (10) or less parcels of land, as listed on the tax duplicate, written notice of the hearing shall be mailed by the Zoning Commission, by first class mail, at least ten (10) days before the date of the public hearing to all owners of property within, contiguous to, and directly across the thoroughfare from such area proposed to be rezoned or redistricted to the address of such owners appearing on the County Auditor's current tax list or the Treasurer's mailing list and to such other list or lists that may be specified by the Board of Township Trustees. The failure to deliver the notice, as provided in this Article, shall not invalidate such amendment. The notice shall contain the same information as required of notices published in newspapers as specified in Article 6.8.

6.10 RECOMMENDATION BY ZONING COMMISSION

Within thirty (30) days after the public hearing required by Article 6.6 the Zoning Commission shall recommend to the Board of Township Trustees that the amendment be granted as requested, or it may recommend a modification of the amendment requested, or it may recommend that the amendment be not granted.

6.11 PUBLIC HEARING BY BOARD OF TOWNSHIP TRUSTEES

C-1 CONSERVATION DISTRICT

11.0 PURPOSE

The purpose of the Conservation District is to protect the public health and to reduce the financial burdens imposed on the community, its governmental units, and its individuals which may result from improper use of lands having excessively high water tables or are subject to frequent and periodic floods and overflow.

SIGNS AND OUTDOOR ADVERTISING STRUCTURES

19.0 PURPOSE

The purpose of this article is to protect property values, create a more attractive economic and business climate, enhance and protect the physical appearance of the community and preserve the scenic and natural beauty of Harrison Township. It is further intended to reduce sign and advertising distractions and obstructions.

19.1 GOVERNMENTAL SIGNS EXCLUDED

For the purpose of this resolution, “sign” does not include signs erected and maintained pursuant to and in discharge of any governmental function, or required by any law, ordinance, or governmental regulations.

19.2 GENERAL REQUIREMENTS FOR ALL SIGNS AND DISTRICTS

NOTE: Deleting #2, 3-9 numbers will be revised

The regulations contained in this section shall apply to all signs and all use districts:

1. Any illuminated sign or lighting device shall employ only light emitting a light of constant intensity, and no sign shall be illuminated by or contain flashing, intermittent, rotating, or moving light or lights. In no event shall an illumination sign or lighting device be placed or directed so as to permit the beams and illumination there from to be directed or beamed upon a public thoroughfare, highway, sidewalk, or adjacent premises so as to cause glare or reflection that may cause a traffic hazard or nuisance.
2. ~~Walls of existing or new buildings not adjacent to or in residential districts may be used for advertising signs or billboards. DELETE~~
3. No sign or part thereof shall contain or consist of banners, posters, pennants, ribbons, streamers, spinners, or other similar moving devices. Such devices, as well as strings of lights and inflatable advertising devices, shall not be used for the purpose of advertising.
4. No sign of any classification shall be installed, erected, or attached in any form, shape, or manner to a fire escape.
5. Should any sign be or become unsafe, the owner thereof or the person maintaining the same, shall, upon receipt of written notice from the Zoning Inspector, proceed within 24 hours to put such sign in a safe and secure condition or remove the sign. ~~No sign shall be placed in any public right-of-way except government-owned signs, such as traffic control signs and directional signs. Signs directing and guiding traffic and parking, also parking on private property, bearing no advertising matter, shall be permitted on the property.~~
6. No sign shall be placed in any public right-of-way except government-owned signs, such as traffic control signs and directional signs. Signs directing and guiding traffic and parking, also parking on private property, bearing no advertising matter, shall be permitted

- on the property.
7. All off-premises advertising devices are erected or maintained under Articles 19.4.4 and 19.4.5, and Chapter 5516.10 of the Ohio Revised Code.
 8. The following are prohibited:
 - a. Advertising devices erected or maintained on trees.
 - b. Advertising devices which prevent the driver of a vehicle from having a clear and unobstructed view of official signs and traffic.
 - c. Advertising devices illuminated so as to interfere with the effectiveness of or obscure an official sign, signal, or device. **(Note: c was divided into c and d, no changes in text)**
 - d. Advertising devices which attempt or appear to attempt to direct the movement of traffic, or which interfere with, imitate, or resemble an official sign, or device.
 9. Temporary Sign Requirements for All Districts
 - a. General - Temporary signs are permitted with a temporary sign permit unless specified exempt. Such signs shall conform to the requirements set forth below as well as other applicable requirements of this resolution.
 - b. Standards For All Temporary Signs – Temporary signs specified in this Article shall not be attached to fences, trees, utility poles, unless such sign complies with setback requirements, or the like and shall not be placed in a position that will obstruct or impair vision of motorists or pedestrians, or in any manner create a hazard or disturbance to the health, safety and welfare of the general public. The permit shall specify the dates during which the sign will be displayed and will expire at the end **of the calendar on the last** date so specified, if such a permit is required. See 19.4.5.b for setback requirements.
 - c. Removal of Temporary Signs - All temporary signs shall be removed within seven (7) days of the expiration of the temporary sign permit, if such a permit is required.

19.3 MEASURE OF SIGN AREAS

The surface area of a sign shall be computed as including the entire area within a regular, geometric form or combinations of regular, geometric forms, comprising all of the display area of the sign and including the entire element of the matter displayed. Frames and structural members not being advertising matters shall not be included in the computation of surface area.

19.4 ON-PREMISES SIGNS PERMITTED IN ALL DISTRICTS – NO PERMIT REQUIRED

1. Signs advertising the sale, lease, or rental of the premises upon which the sign is located shall not exceed twelve (12) square feet in area per side, except in all residential districts where the area of the sign shall not be more than six (6) square feet per side.
2. Professional name plates or home occupation signs shall not exceed four (4) square feet in area per side and not exceeding one (1) sign per home or business.
3. Signs or bulletin boards customarily incidental to places of worship, libraries, or museums which signs or bulletin boards, shall not exceed twenty (20) square feet in area and which shall be located on the premises of such institutions and shall be setback from the right-of-way at least fifteen (15) feet.
4. Entrance and exit signs, containing only directional indication, shall not exceed four (4)

square feet in area per side.

5. Temporary on-premise signs not to exceed twelve (12) square feet of sign face shall be permitted in any district. Said signs shall be removed within seven (7) days from the conclusion of said event or purpose for which the temporary sign is established.
 - a. Sign Face Measurement - Temporary signs not exceeding twelve (12) square feet of sign face for a single-sided sign and twenty-four (24) square feet (twelve [12] square feet per sign face) for a two-sided sign shall be permitted in any district.
 - b. Sign Setback – Temporary signs shall maintain a fifteen (15) foot setback from any lot line and road right-of-way line. Where no road right-of-way exists, the setback shall be forty-five (45) feet from the centerline of the road.
 - c. Sign Placement – Temporary signs may be placed on the ground or attached to a structure only in locations where a wall sign or roof sign would be permitted and does not exist. No temporary sign shall be placed within any road right-of-way.
 - d. Number of signs permitted – The number of temporary signs permitted shall not exceed a maximum of two (2) temporary signs per lot of record.

19.5 ON-PREMISES SIGNS – PERMITS REQUIRED

1. In Business or M-1 (manufacturing) districts, each business shall be permitted one (1) flat or wall on-premises sign. Projection of wall signs shall not exceed four (4) feet measured from the face of the main building, nor ten (10) square feet on any face of the sign. The area of all permanent on-premises signs for any single business may be equivalent to one and one-half (1½) square feet of sign area for each lineal foot of building width, or part of a building, occupied by such business but shall not exceed a maximum area of fifty (50) square feet per side.
2. In addition to the above, each business or industry shall be permitted one (1) on-premises permanently mounted ground sign, provided all parts of the sign shall be set back fifteen (15) feet from the right-of-way. Based upon the number of businesses located on the site, the table below provides the maximum square feet, per face, for a two (2) face sign.

Number of businesses	1	2	3	4 or more
Maximum sign area	32	48	64	80

- a. Where a sign has more than two (2) display faces, the total sign area shall not exceed two (2) times the value derived from the table above. For example, a single business with an equally sided 3 face sign, the sign area allowed is sixty-four (64, i.e. 32 x 2) square feet, and each side would be approximately twenty-one (21) square feet. The total height of all signs shall not exceed fifteen (15) feet in height from grade, including the support structure.
- b. In lieu of 19.5.2, one (1) on-premise permanently mounted ground sign may be permitted with a Variable Message Advertising Device (VMAD) with the following restrictions:

- i. The VMAD shall be permitted with a maximum display area of 32 square feet for one side and no more than 64 square feet for a two (2) sided VMAD.
- ii. Such outdoor advertising device(s), consisting of a variable message advertising device(s) which is a changeable sign, shall contain a static message(s) only. When the copy or message changes by electronic process, it shall be accomplished in one (1) second or less.
